International Relations Office

The Delegation for International Affairs (DIA) develops quality partnerships and orchestrates student exchanges the world over. Through its Tandem Programme, it acts as a connection point between French and International students.

The DIA is located in Branly building, just across the main entrance 19 rue d'Assas. It is open to students from Monday, Tuesday and Thursday from 9:30 to 12:30 and from 14:00 to 16:00 / Friday from 14:00 to 16:00).

Greetings and Orientation Session :

At the start of each semester, all international students are welcome to join the 2-day orientation session organised by the DIA. Activities include campus visits highlighting the university's libraries, museum, and architectural treasures. Students also enjoy guided tours of Paris' Latin Quarter and a cruise on the river Seine.

Partner Universities

Numerous Quality Partnerships Worldwide :

Thanks to an extensive, long-established network of partnerships around the globe, students have a choice of study abroad programmes and internships.

Based on a dynamic academic approach and quality student services, these programmes broaden students' horizons. Likewise, they allow academics to expand their scientific cooperations while increasing the visibility of their research centers in many disciplines.
