

Meet French and international students

If you want to make new friends in an international atmosphere, share your experience, join in the activities and discover other cultures, meet us at the "[Club International des Jeunes à Paris](#)" !

The CIJP offers monthly excursions to different regions and other various activities : language workshops, tours around Paris, visits to museums, exhibits and shows, parties...

You can also meet french speaking people worldwide through the website of the [Contacts Francophones](#) association, for linguistics and cultural exchange.
