Student Life

Student associations
Your ILCF student status, allows you to participate in the associations and activities offered by ICP. Fédé ICP is the biggest student association at ICP. It regroups all of the ICP Student Life associations: Sports, music, chaplaincy... there is something for everyone!

Mix and mingle with French and international students, both on campus and off campus.

TANDEM

Tandem is a buddy program, allowing international students at ICP to be helped by a French buddy in order to fully take advantage of all ICP has to offer on our campus. Throughout the year, Tandem organizes get-togethers between students. Allowing students to make new friendships and have memorable moments together:

international lunches with themes
language exchanges
outings in Paris

Club International des Jeunes à Paris

If you want to make new friends in an international atmosphere, share your experience, join in the activities and discover other cultures, meet us at the "Club International des Jeunes à Paris" !

The CIJP offers monthly excursions to different regions and other various activities : language workshops, tours around Paris, visits to museums, exhibits and shows, parties...

You can also meet french speaking people worldwide through the website of the Contacts Francophones association, for linguistics and cultural exchange.
