## **Protection of personal data**

In certain features and sections offered on this site, such as request for information, request for registration, subscription to the Newsletter, you must complete and send an online form. These activities are optional and not compulsory. However, if you decide to participate in one of them, the Catholic University of Paris may ask you to provide certain information such as your name, postal address, e-mail address and other personal identification data. When you send personal information to the Catholic University of Paris under one of these specific headings, you acknowledge and accept the fact that the Catholic University of Paris and its organizations may need, for the performance of the operation and updating of associated files, to transfer, store and process this information. The Catholic University of Paris collects this information in order to record and take into account your participation in the activities you have chosen. If you request documentation, for example, this information is used to save your details so that it can be sent to you. The Catholic University of Paris website is registered with the CNIL under number 1086038.

## **Newsletter**

The e-mail addresses collected as part of the subscription to the Newsletter are only used to send the e-mail and occasional messages. The Catholic University of Paris recognizes the importance of responsible use of this information. If you do not wish that the information concerning you and provided to the Catholic University of Paris be used to inform you about other subjects concerning the Catholic University of Paris, and that you indicate this wish to the Catholic University of Paris by mail, the Catholic University of Paris will respect your request. In addition, the Catholic University of Paris undertakes not to transmit all or part of the information to other companies or organisations. Please note that the Catholic University of Paris is not responsible for the content presented or the rules of confidentiality applied on websites other than that of the Catholic University of Paris and to which the website of the Catholic University of Paris could be bound.

## **Updating your personal information**

You have the right to access and change your personal information and privacy preferences. To do this, send a letter to the Catholic Institute of Paris at the following address:

**Institut Catholique de Paris**

**Direction de la Communication et du Marketing- Site web**

## Use of "Cookies"

When you visit the Catholic Institute of Paris website, you can explore it anonymously and access information without revealing your identity. You remain anonymous unless you have provided the Catholic Institute of Paris with personal information. A cookie is a small amount of data that is transferred to your browser by a web server and can only be read by the server that sent it to you. It works like an identity card, saving your passwords and preferences. It is not executable code and cannot transmit viruses. The information stored in this cookie is encrypted in order to prevent use of your computer without your knowledge. Most browsers are configured to accept cookies. You can also configure your browser to notify you of the cookies it receives, allowing you to accept or refuse them.
