Visiting Students (Part-time/Auditors)

Testimony

The Catholic University of Paris (ICP) welcomes students from across the globe for a semester or a complete academic year.

As a mobility student at the ICP, you will have a unique and enriching experience, thanks to the quality of the instruction and the campus, the kindness of staff, and a bustling social life in the heart of Paris.

The ICP has signed exchange agreements with over 250 partner universities in over 55 countries.

Exchange students come to the ICP to study and receive a degree from their university of origin. Following their mobility, the ICP sends students a transcript.

The Catholic University of Paris recommends that exchange students present a **French language certificate (B2 Level for Bachelor Level courses; C1 Level for Master Level courses)** or an **English language certificate (B2 Level)**.
