

English Specialty Language (Bachelor Year 3 / Spring)

Bachelor in Applied Foreign Languages (English) / Faculty of Liberal Arts

Introduction

This course serves as an introduction to the fundamental concepts and principles of marketing, providing them with a foundational understanding of marketing concepts and vocabulary. The course emphasizes real-world applications and practical scenarios to engage students in the dynamic field of marketing. Through this exploration, students will acquire essential skills and terminology relevant to the business environment and develop a foundational understanding of key marketing strategies and tactics employed by businesses globally, contributing to their overall academic and professional development.

Objectives

Upon completion of the course, students will be able to:

1. Grasp fundamental marketing concepts and apply them in diverse contexts.
2. Acquire a specialized vocabulary for effective communication within the business environment.
3. Analyze consumer behavior and market trends.
4. Explore introductory digital marketing tools and techniques.
