- How to apply?
- Visiting Students (Part-time/Auditors)

You must be enrolled in a foreign university that signed an agreement with the Catholic University of Paris, and be selected by your home university to participate in an exchange with our university.

Contact your university for information regarding the application process for a university exchange program.

Before Applying

Depending on the agreement with your university, you can study at the ICP for :

- The fall semester (September to January)
- The spring semester (February to June)
- The full academic year (September to June)

Application Deadlines

You must be selected by your university before applying. The International Relations Office will send you **an application form**.

The application deadlines are the following :

- For the fall semester : June 15
- For the spring semester : November 1st
