As part of its openness to the world, the ICP values and actively develops ERASMUS+ exchange programmes with partner universities.

A Quality-Based Structure

The Catholic University of Paris signed the Erasmus Charter for Higher Education (ECHE) for the 2021-2027 period. It represents the general **quality** framework for the ICP's European cooperation activities as part of ERASMUS+.

A Boom in Internationalization

Over the last 7 years, the ERASMUS+ programme has enabled sustained development by the ICP, including :

The opportunity for its students to study in the European Union and third countries associated with the program, and International partnerships with universities based in the EU and third countries associated with the program.

In 2024, ICP has **83 ERASMUS+ exchange agreements** with European partner universities.. ICP students can choose from among **20 EU countries and third countries associated with the program** for their mobility.

Key Figures for ERASMUS+ Programmes (2014-2020)

903 outbound students as part of mobility exchanges

60% of mobility occurs within the framework of ERASMUS+ programmes
